

EURASIAN JOURNAL OF PULMONOLOGY

EURASIAN J PULMONOL

Volume 24 Issue 1 January-April 2022

Review

SARS-CoV-2 most concerning variants: A review on their complications, pathogenicity, transmissibility, and immune responses

Original Articles

COPD and comorbidities in the Republic of Moldova

Could FEF 25–75 levels or blood eosinophil counts predict the presence or absence of bronchial hyperreactivity?

Importance of pulmonary involvement in Crimean–Congo hemorrhagic fever

VATS cost is less than thoracotomy in operable NSCLC patients

The frequency of hyponatremia during the course of small cell lung cancer and its effect on prognosis

Editor in Chief

Filiz Koşar, MD, Prof.

Department of Pulmonary Diseases, University of Health Sciences, Yedikule Chest Diseases and Chest Surgery Training and Research Hospital, Istanbul, Turkey.

General Information

The journal

Eurasian Journal of Pulmonology (EJOP) (E-ISSN: 2148-5402) is a publication of Turkish Respiratory Society. The Journal is published in April, August and December. The target audience of EJP are chest diseases specialists and residents as well as all other physicians studying in the area of respiratory diseases.

Scope of journal

Eurasian Journal of Pulmonology (EJP) provides a platform for clinical and experimental research in all areas of respiratory medicine including chronic airway diseases, allergy, respiratory infections, lung cancer, pleural diseases, pulmonary vascular diseases, respiratory failure, sleep related disorders, interstitial lung diseases, and occupational pulmonary diseases. The journal also incorporates studies related to respiratory physiology, inhalation therapies, pulmonary rehabilitation, lung transplantation, tobacco control policies, interventional pulmonology, thoracic imaging, and thoracic surgery. The journal publishes original research, review articles, statements, consensus reports, case studies, editorials and letter to the editors.

Abstracting and indexing information

The journal is registered with the following abstracting partners: Baidu Scholar, CNKI (China National Knowledge Infrastructure), EBSCO Publishing's Electronic Databases, Ex Libris – Primo Central, Google Scholar, Hinari, Infotrieve, Netherlands ISSN center, ProQuest, TdNet, Turkey Citation Index, Wanfang Data

The journal is indexed with, or included in, the following: DOAJ, Emerging Sources Citation Index, Web of Science

Information for Authors

There are no page charges for EJOP submissions. Please check <https://www.eurasianj pulmonol.com/contributors.asp>

All manuscripts must be submitted online at <https://www.eurasianj pulmonol.com/submitarticle.asp>.

Advertising policies

The journal accepts display and classified advertising. Frequency discounts and special positions are available. Inquiries about advertising should be sent to Kare Yayıncılık İletişim Hizmetleri Tic. Ltd. Şti., kare@karepb.com.

The journal reserves the right to reject any advertisement considered unsuitable according to the set policies of the journal.

The appearance of advertising or product information in the various sections in the journal does not constitute an endorsement or approval by the journal and/or its publisher of the quality or value of the said product or of claims made for it by its manufacturer.

Copyright

The entire contents of the Eurasian Journal of Pulmonology are protected under Indian and international copyrights. The Journal, however, grants to all users a free, irrevocable, worldwide, perpetual right of access to, and a license to copy, use, distribute, perform and display the work publicly and to make and distribute derivative works in any digital medium for any reasonable non-commercial purpose, subject to proper attribution of authorship and ownership of the rights. The journal also grants the right to make small numbers of printed copies for their personal non-commercial use.
